

Publications:

Books:

Cassar-Pullicino VN & Roberts SNJ. Imaging the postoperative knee. Chapter in Imaging of the Knee ed Cassar-Pullicino V & Davies AM. Springer – Verlag 2002. ISBN 3-540-67292-3.

Roberts SNJ. Editor of the 1997 “Oswestry Multimedia Yearbook CDROM”.

Roberts SNJ. “Examination of the Knee” chapter in: Roberts PJ, Tandon S & Wade RH. Clinical examination for FRCS (Trauma & Orthopaedics): a teaching manual for FRCS (Trauma & Orthopaedics) trainees. Oswestry: Institute of Orthopaedics Publishing Group, 2001. ISBN 0953998215.

Roberts SNJ. Chapter “Clinical Shoulder Biomechanics” in Basic Sciences for FRCS (Trauma & Orthopaedics). Pp 89-94. Eds VN Cassar Pullicino & JB Richardson. Institute of Orthopaedics, Oswestry 2001. ISBN 0 9539982 0 7.

Roberts SNJ. The Sternoclavicular Joint. Chapter in The Oxford Textbook of Orthopaedics & Trauma. In press.

Roberts SNJ. Tissue Injury & Repair: Articular Cartilage. Chapter in The Oxford Textbook of Sports Injuries. In press.

Roach RA, Roberts SNJ, Rees DA. The potential benefit of thermal shrinkage for lax anterior cruciate ligaments. *Acta Orthop. Belg*. 2004, 70 247-252.

Roberts SNJ. Graft choice in anterior cruciate ligament reconstruction. *Techniques in Knee Surgery*. 4(2):112-119, June 2005.

Roberts SNJ. Running Injuries. *General Practice Update*. In Press 2009.

Presentations & Posters:

1. The Anatomy of the Brachial Artery Bifurcation and its Relevance to Thromboembolectomy. The British Association of Clinical Anatomists July 1989.
2. The Geometry of the Humeral Head and its Implications for Prosthesis Design. The British Association of Clinical Anatomists January 1990.
3. The Shape of the Humeral Head. The International Symposium on Upper Limb Surgery, Nottingham October 1991.
4. Tournament Water Skiing. British Orthopaedic Sports Trauma Association, Leeds November 1994.
5. Orthopaedic Trauma in International Tournament Water Skiers. Naughton Dunn Club. April 1995.
6. Mechanical Failure of Unreamed Tibial Nails. BOA Spring meeting April 1996.
7. Suction Drains in Knee Replacement Surgery (given by Greg Keene). Australian Orthopaedic Association, Canberra, October 1997.
8. Electromagnetic Motion Analysis – the Shoulder. Australian Orthopaedic Association SA meeting, Mount Gambier, November 1997.
9. The Investigation & Management of Sclerotic Lesions of the Clavicle. Australian Orthopaedic Association SA meeting, Mount Gambier, November 1997.
10. Suction Drains In Knee Replacement Surgery (given by JN Brown). Australian Orthopaedic Association SA meeting, Mount Gambier, November 1997.
11. Analysis of Scapulothoracic Cadence. Combined Meeting of the Orthopaedic Associations of the English-Speaking World, Auckland 1998.
12. The Rotator Cuff. Instructional course lecture (given by Michael Hayes). Combined Meeting of the Orthopaedic Associations of the English-Speaking World, Auckland 1998.
13. Wrist Arthroplasty. Instructional course lecture (given by Michael Hayes). Combined Meeting of the Orthopaedic Associations of the English-Speaking World, Auckland 1998.
14. Osteitis Condensans (given by Michael Hayes). Australian Shoulder & Elbow Society at the Australian Orthopaedic Association, Perth, February 1998.
15. Posteromedial Ankle Impingement (given by Roger Paterson). Sports Medicine Australia, Clare Valley, March 1998.
16. Trapeziometacarpal Instability. Australian Orthopaedic Association SA meeting, Adelaide, April 1998.

17. Glomus Tumour. Australian Orthopaedic Association SA meeting, Adelaide, April 1998.
18. Plantar Fascia Release Through a Transverse Incision (given by JN Brown). Australian Orthopaedic Association SA meeting, Adelaide, April 1998.
19. Open & Arthroscopic Techniques for the Treatment of Traumatic Anterior Shoulder Instability in Australian Rules Football Players. Football Australasia, Melbourne July 1998.
20. Acromioclavicular Joint Injuries in Australian Rules Footballers (given by A Saies). Football Australasia, Melbourne July 1998.
21. Tenoplasty for Chronic Achilles Tendinitis. Naughton Dunn Club November 1998.
22. Open & Arthroscopic Techniques for the Treatment of Traumatic Anterior Shoulder Instability in Australian Rules Football Players. BOSTA London April 1999.
23. Grade III Acromioclavicular Injuries in Australian Rules Football (given by J Brown). BOSTA London April 1999.
24. Tenoplasty for Chronic Achilles Tendinitis. EFORT Brussels May 1999.
25. The Brunelli Procedure for Trapeziometacarpal Instability. EFORT Brussels May 1999.
26. Open & Arthroscopic Techniques for the Treatment of Traumatic Anterior Shoulder Instability in Australian Rules Football Players. BOA Glasgow September 1999. Abstract JBJS 82-B 2000 Suppl I p67.
27. Sports Injuries – An Orthopaedic Viewpoint. St John's Ambulance August 1999.
28. Shoulder Instability. 10th Anniversary lecture North Wales Physiotherapy Clinic. October 1999
29. Articular Cartilage Injuries. North Wales Physiotherapists continuing education September 1999
30. Sports Injuries. Invited Lecture. Wrexham Medical Institute. October 1999.
31. Padding in Rugby. Invited lecture to the International Rugby Board Age Grade Conference. London October 1999.
32. Sports Injuries. Deeside General Practitioners Continuing Medical Education. Nov 1999.
33. Recent advances in Sports Injuries. Ruthin PGEA meeting February 2000.
34. The Biomet / BESS Travelling Fellowship. BESS Nottingham May 2000.
35. The Oswestry autologous chondrocyte implantation series. Eurocell 2000, Oswestry, November 2000.

36. Regular Lecturer on a number of surgical courses in Oswestry. MATTU,
37. Basic Sciences for the FRCS (Orth) (Regular course). Shoulder Biomechanics.
38. Clinical Examination of the Knee for the FRCS (Orth). (Regular course).
39. Regular Lecturer on the RCS Wrexham Basic Surgical Skills Course.
40. Nursing & Midwifery – Staffordshire University. Sports Injuries. (Regular course).
41. Sports Injuries of the Knee. Invited Lecture to the Rugby Football Union Lancashire Medical Association January 2001.
42. The posteromedial impingement (PoMI) lesion of the ankle. ISAKOS May 2001 Montreux. Abstract p 4.38.
43. Autologous chondrocyte implantation. Invited lecture. Polish Osteoarthrology Society September 2001.
44. The Mechanism of Sports Injury. Invited lecture British Institute of Radiology President's Conference Manchester, May 2002.
45. Sports Injuries of the Knee. Rural Doctors Conference. Gregynog Sept 2002.
46. Graft Choice in ACL reconstruction. Oswestry Knee Symposium October 2002.
47. Shoulder in Sports. Nunsmere GP Instructional Nov 2002
48. Sports Injury Surgery. Annual guest lecturer Chester & North Wales Medical Society Feb 2003.
49. Sports Injuries for GPs. Invited lecture Total Fitness, Wrexham May 2003.
50. Thermal shrinkage of the ACL. Second European Congress of Sport Traumatology, Nice May 2003.
51. Assessment of the acutely injured knee. Grand Rounds series Wrexham Medical Institute June 2003.
52. An Orthopaedic overview of sports injuries. BASEM Pfizer invited lecture Haydock Park. June 2003.
53. Radiofrequency tightening for partial ACL tears. Invited lecture, Sports Knee Symposium Warwick University November 2003.
54. An overview of articular cartilage surgery. Invited lecture, Oswestry Knee Symposium November 2003.
55. Meniscal surgery. Invited lecture, Oswestry Knee Symposium November 2003.

56. The Shoulder in Sport. Invited lecture, Oswestry Shoulder Symposium March 2004.
57. The potential benefit of thermal shrinkage for lax anterior cruciate ligaments. ESSKA Athens May 2004.
58. Meniscal repair: The experience of 111 cases from a single centre over three years. ESSKA Athens May 2004.
59. Assessment of the Sportsman's Knee. Invited lecture. Mid Wales Physiotherapists. May 2004.
60. Knee Ligament Injuries. Shropshire Physiotherapists. September 2004
61. Anterior cruciate ligament reconstruction (ACL): Surgery for cases less than 20 years of age. BASK March 2005.
62. The potential benefit of thermal shrinkage for lax anterior cruciate ligaments. ISAKOS Florida April 2005.
63. Meniscal repair: Experience of 111 cases from a single centre over 3 years. ISAKOS Florida April 2005.
64. Assessing sports injuries of the knee – when to worry? Mere Golf & Country Club July 2005.
65. Shoulder and Knee Injuries. FASSGEM May 2006
66. Stressful Sports Old Oswestrians June 2006
67. The Ankle in Sports. Co-organiser Oswestry Sports Knee & Ankle Symposium October 2006.
68. Return to Sport after Fracture. Invited lecture British Association of Sport & Exercise Medicine meeting Loughborough April 2007.
69. The Effects of non-concurrent strength and endurance rehabilitation on the neuromuscular and musculoskeletal performance of knees treated with Autologous chondrocyte implantation (ACI). A.K. Bailey, N.P. Gleeson, D. Rees, S.N.J. Roberts, Prof R. Eston, Prof J.B. Richardson. ICRS Zurich June 2007.
70. The Ankle in Sport. GP Forum Tarporley Sept 2007.
71. Predictors of medium term outcome of microfracture – significant effect of smoking. 9th Efort Congress Nice 2008
72. Predictors of medium term outcome of microfracture – significant effect of smoking. ESSKA Porto 2008.
73. Sports Injuries of the Shoulder – when to operate? 9th International Trauma Conference April 2008

74. Predictors of medium term outcome of microfracture – significant effect of smoking. BOA annual conference. Liverpool, September 2008.
75. Shoulder arthroscopy for degenerative disease (invited lecture). BASEM Brighton October 2008.
76. Meniscus repair, resection & replacement. BJHM Orthopaedics & Sports Injuries conference Institute of Physics London November 2008.
